Gregory Stead

Overland Park, KS | 954-465-9162 | gregstead@gmail.com | github.com/gregstead | linkedin.com/in/gregstead/

Technical Proficiencies

JavaScript, HTML, CSS, Python, Git

Projects

DiscomfortZone

https://megangerwick.github.io/discomfort_zone/

- Using JavaScript, HTML, Google Materialize CSS Framework, the TravelTime Time-Map API, and the TomTom Search API, I assumed ownership for the functionality of a webApp that takes user input and provides suggestions for bars and restaurants

Workday Scheduler

https://gregstead.github.io/05_workday_scheduler/

- Using JavaScript, HTML, Bootstrap CSS Framework, jQuery, and Moment.js, I built the functionality of a simple workday scheduler. User inputs persist in local storage

Weather Dashboard

https://gregstead.github.io/06_weather_dashboard/

- Using HTML, CSS (Google Materialize Framework), JavaScript, jQuery, Moment.js, OpenWeather 5 day / 3 hour weather forecast, and OpenWeather UV Index, I built a simple weather dashboard

Recent Work Experience

Amusement Connect   Kansas City, Missouri
Arcade Technical Support Representative   02/2020–*present*

- Provided tier 1 help desk support to clients, assembled and tested OEM computer kiosks, flashed and tested electrical components

VIPKid   Remote position
English tutor   05/2019–02/2020

- Taught remote ESOL lessons to students in China, ages 6-10

Donnelly College   Kansas City, Kansas
Adjunct professor   08/2019–12/2019

- Guided students to a greater appreciation of music by introducing them to fundamental musical analysis techniques and presenting recordings in lectures, emphasizing the cultural and historical context of the music

The Friends of Chamber Music, Kansas City   Kansas City, Missouri
Box Office and Concert Production Manager   01/2017–05/2019

- Reporting directly to the founder, artistic director and CEO, I was responsible for all concert production and venue readiness, planned and executed a ~$500k budget. In addition, I assisted in the artistic planning, edited marketing copy, and project managed the annual program book. Together, the team presented 14 international artists annually.
